**SCSU Self-Guided Tour**

1. **The Wintergreen Building** is headquarters to student enrollment services including Admissions, Registrar’s Office, Financial Aid, and the Bursar’s Office.
2. **The Hilton C. Bulley Library** serves the many academic and research needs of the Southern community. Among the building features are an art gallery, the Owls Perch coffee shop, the Academic Success Center, and two computer labs.
3. **Engleman Hall** is the university’s main classroom building. Many academic departments are housed in Engleman, along with offices of the university’s administration. The Garner Recital Hall holds large-scale lecture events. The Bagel Wagon offers Starbucks gourmet coffee, salads, and wraps.
4. **Merrill Hall** is home to the departments of journalism, geography, and computer science.
5. **Jennings Hall** is home to the departments of biology; chemistry; physics; environment, geography, and marine sciences; and science education and environmental studies. Jennings connects to the Academic Science and Laboratory Building at the ground and upper levels.
6. **The Academic Science and Laboratory Building** features Connecticut’s only Center for Nanotechnology, The Werth Center for Coastal and Marine Studies, an astronomy control room, Connecticut’s only Center for Nanotechnology, The Werth Center for Coastal and Marine Studies, an astronomy control room, and science education and environmental studies.
7. **Health and Human Services Building** This new 94,750 square foot building will consolidate the college’s health and movement sciences, communication disorders, nursing, public health, and recreation, tourism, and sport management academic departments in one location.
8. **Polo Gymnasium** is used for women’s gymnastics, women’s swimming, and volleyball, as well as physical education classes and intramurals/recreation.
9. **The College of Education** is housed in **Davis Hall**, along with the Center for Adaptive Technology, the Center of Excellence on Autism Spectrum Disorders, the Center for Communication Disorders, and departments in the College of Health and Human Services.
10. **The LeED Gold-certified School of Business building** is a state-of-the-art teaching and learning facility with faculty offices, classrooms, meeting rooms, workshop space, and a high-tech stock trading room.
11. **The John Lyman Center for the Performing Arts** is a multi-use performing arts facility consisting of two performing spaces and a lobby art gallery. It is also home to the Department of Theatre with its costume and scenery shops.
12. **Earl Hall** is the home of the Art and Music departments. Earl also boasts gallery space, practice rooms, and the Communication Department’s video production facility.
13. **The Adanti Student Center** is the focal point of campus organizations and activities, with diverse facilities for everything from meetings and lectures to dances, fitness classes and movies. The center is home to the campus bookstore as well as the Multicultural Center and large food court.
14. **Connecticut Hall** (Conn Hall) is Southern’s primary dining location, providing a full-range of meal experiences from early morning through late evening study breaks.
15. **Residence Halls** Southern offers a variety of living options and experiences to support you and your needs as you transition through your academic career. Residence Halls are located on West Campus and North Campus. Most new students live on West Campus.
16. **Granoff Health Center** You don’t have to leave campus for healthcare — our services are available right here. Whether it’s a medication refill, injury, or illness — we are here to help.
17. **The University Police Department personnel** includes the chief of police, deputy chief of police, one lieutenant, four sergeants, one detective, and approximately 19 patrol officers.
18. **The Moore Field House** is Southern’s primary indoor athletic complex. The main arena, with a permanent seating capacity of 2,800, houses the main basketball court, a 25-yard swimming pool, as well as a six-lane, 220-yard, artificially-surfaced track.
19. **Jess Dow Field** is a multi-million dollar stadium facility that can accommodate football, soccer, field hockey and track and field. Located directly adjacent to Moore Fieldhouse, the field has a seating capacity of 6,000.
